

JOSÉ JANTARADA

GRAPHIC DESIGNER

ABOUT ME

Hi, my name is José. I'm a freelance graphic designer based in Porto, Portugal. My work reflects my journeys through the design, advertising, but most of all, life experiences. I like everything where I can use my creativity to create new things, although I have a main focus on logo design, branding and identity. I'm passionate about typography and I believe in less is more, something you'll find in my portfolio. My designs characterize themselves by simplicity with a quirky twist. If you have any ideas, projects or opportunities you'd like to discuss, please get in touch.
